Notes to Financial Statements

September 30, 2012

Note 1 - Nature of Operations and Summary of Significant Accounting Policies

**Nature of Operations**

Crescent Securities Group, Inc. (the "Company") is a broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company operates under SEC Rule 15c3-3 (k)(2)(ii) which provides that all the funds and securities belonging to the Company's customers would be handled by a clearing broker-dealer. The Company is a wholly-owned subsidiary of Duren/McNairy Holdings, Inc. (the "Parent").

The majority of the Company's customers are located in Texas.

A significant amount of commissions for the year ended September 30, 2012 was due to the sale of government backed collateralized mortgage obligations. The Company incurred finance charges related to the extended settlement of these transactions. The interest rate charged at September 30, 2012 was 3.25%. The Company incurred \$304,991 in finance charges for the year ended September 30, 2012.

Securities readily marketable are carried at fair value and securities not readily marketable are carried at fair value as determined by management of the Company. The increase or decrease in net unrealized appreciation or depreciation of securities is credited or charged to operations.

Receivables from broker-dealers and clearing organizations are generally collected in full in the month following the accrual. As such, management has not recorded an allowance for doubtful accounts on these receivables. Management records an allowance for bad debts based on a collectability review of specific accounts. Any receivables deemed uncollectible are written off against the allowance.

**Revenue Recognition**

Security transactions are recorded on a trade date basis. Commission income and expenses are recorded on a settlement date basis, generally the third business day following the transaction. If materially different, commission income and expenses are recorded on a trade date basis.

**Cash and Cash Equivalents**

The Company defines cash and cash equivalents as highly liquid investments with original maturities of three months or less at the time of purchase, other than those held for sale in the ordinary course of business.

CRESCENT SECURITIES GROUP, INC.  
Notes to Financial Statements  
September 30, 2012

Note 1 - Nature of Operations and Summary of Significant Accounting Policies, continued

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At September 30, 2012, the Company had net capital of approximately \$276,064 and net capital requirements of \$103,556. The Company's ratio of aggregate indebtedness to net capital was 5.63 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

Note 3 - Possession or Control Requirements

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

Note 4 - Income Taxes

The Company files a consolidated federal income tax return with the Parent. Income taxes are recorded using the separate company method to comply with FASB ASC 740. Any resulting provision or benefit for income taxes is recorded as receivable from or payable to the Parent. There was no payable due to the Parent at September 30, 2012 related to income taxes.

Management evaluates income tax positions based on a predetermined threshold of whether the positions taken will be sustained on examination. Uncertain tax positions are reduced by a liability for a contingent loss that is recorded either when the threshold is no longer met or when it becomes probable that a payment will be made to the taxing authority.

CRESCENT SECURITIES GROUP, INC.  
Notes to Financial Statements  
September 30, 2012

Note 4 - Income Taxes, continued

The Parent's federal and state income tax returns are subject to examination over various statutes of limitations generally ranging from three to five years.

Note 5 - Related Party Consulting Agreements

The Parent has agreed by contract to provide telephone service, administrative services, office equipment and other overhead expenses to the Company. Expenses incurred under this contract through September 30, 2012 were \$181,304. The Company's results could be different as a result of this related party relationship.

Note 6 - Commitments and Contingencies

Included in the Company's clearing agreement with its clearing broker-dealer, is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on the unsettled trade. Management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.

Note 7 - Loan to Parent

The loan of \$1,232,803 to Parent is a non-interest bearing note due with no terms. It is reflected as a contra equity account.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL  
CONTROL REQUIRED BY SEC RULE 17a-5

To the Board of Directors and Stockholders  
Crescent Securities Group, Inc.

In planning and performing our audit of the financial statements and supplemental information of Crescent Securities Group, Inc. (the "Company"), as of and for the year ended September 30, 2012 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or

disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and therefore, there can be no assurance that all material weaknesses have been identified. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at September 30, 2012 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
